

**Buy Only The Things That Appreciate—
Lease All The Things That Don't.**

With technology turnover occurring every six months or less, most companies can't afford to delay new equipment acquisitions and upgrades and expect to remain competitive. Which is why, today, the smart money is in leasing.

FACT: American businesses spend over \$270 billion annually leasing everything from office copiers to corporate jets.

FACT: Commercial equipment leasing is one of the fastest growing segments within the financial industry.

FACT: A significant portion of the leasing market remains under-served. The vast majority of leasing companies have focused their efforts on the high-end market, discounting the needs of small to medium-sized companies.

BLUE COAST FILLS THE VOID WITH SUPERB SERVICE

LEASING CAN BENEFIT YOUR BOTTOM LINE IN COUNTLESS WAYS

Whether you need to furnish your new building with office equipment, upgrade your computer network, expand your fleet of delivery trucks, or retool your manufacturing plant, the equipment leasing experts at Blue Coast can help.

In fact, whether your company needs \$5K or \$25 million, Blue Coast has lenders who are ready to assist your company with all of its leasing needs.

We can also show you how easy it is to leverage company assets and put that capital to better use in multiple income-generating sources—instead of allowing it to remain tied up in non-productive areas. Best of all, our value-priced term equipment leasing provides your business with more flexibility regarding typical capital requirements. In short, Blue Coast has the equipment leasing expertise, and the financing options, to benefit the needs of virtually any company—large or small.

GETTING A "SECOND OPINION" FROM BLUE COAST IS COST-FREE AND RISK-FREE. JUST LIKE THE PEACE OF MIND IT PROVIDES.

Now, thanks to Blue Coast, it's easy to get an expert "second opinion" on a score of crucial business-to-business services. And enjoy a "win-win" situation—regardless of the results.

For starters, with Blue Coast, there's no initial cost, risk or obligation. We simply want to help you to be the best manager you can be. Make it quicker and easier for you to do your due diligence. And introduce you to some smart new ways for your company to save money.

Often, the savings can be significant. But even on those rare occasions when Blue Coast can't save you money, you'll still come out way ahead. Because you'll have gained the added peace of mind that comes from knowing your company has already made a wise, cost-effective choice regarding a specific service, resource and/or vendor.
